

Evening services from Marylebone 9th – 20th July

Important customer information

The following services to Oxford Parkway will be much busier from Monday 9th – Friday 20th July, because of track improvement work and Oxford Parkway being the only rail alternative open near Oxford to get to London:

- **1650 London Marylebone to Oxford Parkway** (passengers for High Wycombe and Princes Risborough may wish to board an alternative service which does not terminate at Oxford Parkway)
- **1718 London Marylebone to Oxford Parkway** (this service only calls at Bicester Village and Oxford Parkway and will be very busy).
- **1750 London Marylebone to Oxford Parkway** (passengers for High Wycombe and Princes Risborough may wish to board an alternative service, which does not terminate at Oxford Parkway)
- **1818 London Marylebone to Oxford Parkway** (passengers for Haddenham & Thame Parkway may wish to board an alternative service, which does not terminate at Oxford Parkway).
- **1850 London Marylebone to Oxford Parkway** (passengers for High Wycombe and Princes Risborough may wish to board an alternative service, which does not terminate at Oxford Parkway)
- **1921 London Marylebone to Oxford Parkway** (passengers for High Wycombe and Haddenham & Thame Parkway may wish to board an alternative service, which does not terminate at Oxford Parkway)

If you need to take these services, we would advise that you arrive in good time and use the whole length of the train.
