

Guide to getting a seat from Princes Risborough to London Marylebone

Weekday morning services Monday 9th – Friday 20th July

On weekdays during the Oxford improvement works (**Monday 9th – Friday 20th July**), trains will be much busier than usual from/to Princes Risborough at peak travel times.

We know not everyone can change the time they travel, but if possible, you may wish to travel outside of peak times for a more comfortable journey.

Use the below table as a guide for your journey.
Remember: this is based on a normal undisrupted weekday when trains are running to time and at the intended length. At times of service disruption, predictions will alter.

-  **Green:** Passengers can expect a good choice of seats.
-  **Yellow:** Most passengers can expect to get a seat. There will be more free seats towards the rear of the train. Some passengers may have to stand on busy days.
-  **Red:** This train is unlikely to have many spare seats and passengers can expect to stand. If getting a seat is a priority, please try the train before or the train after.
