# Need bus & tram travel?

You may  
**save time & money**  
with

**Buy at station or online**

Midlands & North Wales

Valid from 2 January to 20 May 2017

## Simple

We're all after an easier life. Travelling to or from the train station doesn't have to be hassle – driving in traffic, trying to find a parking space or paying through the nose for a taxi.

Simply get a **PLUSBUS** ticket with your train ticket and you're sorted. We give you unlimited bus and tram travel (on participating operator's services) around the whole urban area of the rail-served town or city.

## Freedom

Buy **PLUSBUS** to start your journey (to get to the rail station) or to finish your journey (from the station to your final destination). We've no peak period restrictions, so you can hop-on and off buses and trams as much as you like all day!

Buy a single, day return or period return train ticket and you can buy a **PLUSBUS** day ticket. Rail commuters can buy a weekly, monthly, 3-monthly or annual **PLUSBUS** season ticket with their rail season.

## Convenient

Buy **PLUSBUS** with your train ticket at any National Rail station booking office, or online from all train operators and most other rail ticket websites. You choose how and when you get your tickets – by post, courier or at a station. We're also increasingly available from self-service ticket machines at rail stations.

## Value

**PLUSBUS** ticket prices start from **just £2** a day. We're usually cheaper than buying a bus pass from the main bus company in town. Our fares for your region are shown overleaf. For other areas of Britain, please visit: [plusbus.info](http://plusbus.info)

## Savings

Under 16 years old? You get 50% off our day tickets.

Aged 16-25 years or a student? You get 33% off our day tickets, with a 16-25 Railcard.

Adults get 33% off our day tickets, with one of these:

- Disabled Persons Railcard
- Family & Friends Railcard
- HM Forces Railcard
- Network Railcard (or Gold Card equivalent)
- Seniors Railcard
- Two Together Railcard

Railcard peak period purchase restrictions apply, but the minimum fare requirement does not. Phew!
