# Chiltern Railways Complaints Handling Procedure Section 1 – 3.2

## 1. Introduction

The purpose of these guidelines is to define the process for handling customer comments/complaints related to Chiltern Railways Ltd and the agreed standards relating to cases where compensation is claimed.

## 2. Principles and objectives

The overriding principle is that all complaints will be answered, fully investigated and used to drive improvement, where required.

The definition of “complaint” for the purpose of these guidelines is:

“Any expression of dissatisfaction by a customer or potential customer about service delivery or company or industry policy.”

Source: Office of Rail and Road (ORR) Guidance on Complaints Handling Procedure.

The objective of these guidelines is to ensure that the customer receives a prompt and reasonable response and where appropriate compensation which is fair and reasonable to all parties involved.

This document also recognises the importance of complaints as a valuable source of information and gives us the opportunity to identify areas of improvement, formulate appropriate courses of corrective action and arrange implementation and monitoring.

All complaints should be addressed to Chiltern Railways Customer Relations and should include the following:

- Name, address, and contact telephone number
- Details of complaint including date, time and location if appropriate.
- Details of Journey if appropriate
- Copies of train tickets if appropriate

**3.2** All contact made via our Social Media Channels will be responded to and will be taken off line and passed onto the Customer Relations team to investigate and provide a full response to the customer. Social Media is not a platform for customer complaints.

**3.3** Chiltern Railways will ensure that information concerning how to make a complaint is displayed as follows:

- Available in all major publications such as in timetable booklets and in the Passenger's Charter, which is provided on the Chiltern Railways website and can be obtained from any staffed station
- The telephone number for the Customer Relations Department will be published in local telephone directories
- Notices posted in each carriage of every train
- Notices posted prominently at every station

**3.4** All material publicising the Complaints Handling Procedure will display the address and telephone number of the relevant organisation that customers can refer complaints to should they not be happy with our final response. For stations between London Marylebone and Bicester North/Aylesbury Vale Parkway this will be London TravelWatch. For stations between Kings Sutton and Kidderminster, stations north of Oxford, and Oxford Parkway, Bicester Village and Islip this will be Transport Focus.

**3.5** Please note that in addition to this, the Alternative Dispute Resolution (ADR) for consumer disputes (Competent Authorities and information) regulations 2015 requires us to advise you of an 'Alternative Dispute Resolution' organisation for your complaint. In our case this is The Consumer Ombudsman ([www.consumer-ombudsman.org](http://www.consumer-ombudsman.org)). However, as Transport Focus/London Travelwatch already provides a mediation service for customers in the rail industry, we do not make use of the ADR process, and correspondence to the Consumer Ombudsman will be redirected to Transport Focus/London Travelwatch.

**3.6** Customers will be able to obtain comment forms from on-train staff and at each staffed station. Customers will also be able to submit written comments via our website.

**3.7** At unstaffed stations a notice will be displayed stating where comment forms may be obtained i.e. the nearest staffed station as well as displaying our web address where comments can be made directly.

**3.8** At multi-operator stations, posters will advise customers of how to contact each train company if they have a complaint specific to that particular company. Comment forms for individual train companies will also be available upon request.

# Chiltern Railways Complaints Handling Procedure

3.9 Chiltern Railways will provide a clear statement regarding procedures in relation to the handling of customer complaints within its Passenger's Charter, which is available to all customers upon request at staffed stations, or via the Customer Relations Department. The Passenger's Charter is also available on our website [www.chilternrailways.co.uk/about-us/passenger-charter](http://www.chilternrailways.co.uk/about-us/passenger-charter).

3.10 Chiltern Railways will provide whatever assistance may be reasonably required to enable all customers to utilise this Complaints Handling Procedure and will ensure that carers, support workers and guardians are able to act on behalf of a passenger with the passengers prior permission.

3.11 A copy of this Complaints Handling Procedure will be available at all staffed stations and Customer Relations Department. A copy will also be available on our website.

3.12 All customer facing staff will be briefed on the contents of this Complaints Handling Procedure.

3.13 We can also supply customers with literature in a range of different formats on request, including large print and make provision to translate correspondence received in different languages. <https://www.chilternrailways.co.uk/disabled-traveller-information>

## 6. Compensation

6.1 If you are delayed on a Chiltern Railway train journey and the cause of the delay was within the railway industry's control you can claim compensation. Chiltern Railways offers passengers the right to claim compensation for delays under our own compensation scheme. You do not have to use this to recover compensation. You can claim directly under our Passenger Charter or under your other legal rights such as the Consumer Rights Act 2015. However, you cannot recover the same money twice. If you are making a claim using our compensation Scheme you must make a claim within 28 days of the intended date of travel.

6.2 In respect of delays Chiltern's compensation policy is as follows:

Length of Delay	How?	Method
60 minutes or more	You will receive the full cost of your single ticket or 50% of your return ticket	In the form the purchase was made, unless you expressly agree otherwise
30 minutes to 59 minutes	You will receive 50% of the cost of your single ticket, or 25% of your return	In the form the purchase was made, unless you expressly agree otherwise

For Season Ticket Holders the amount refunded will be calculated on the cost of an Anytime Fare for the journey you were making.

6.3 The levels of compensation described in this Complaints Handling Procedure set out our general policy regarding compensation claims made under our compensation scheme, but does not in any way limit or exclude your legal rights as a consumer under the Consumer Rights Act 2015 or otherwise. You may also be entitled to recover other types of losses not related to delay that have been caused by Chiltern Railways, further guidance is available in the National Conditions of Travel.

**9.2** We aim in all our dealings to:

- Make it clear to everyone we deal with, both on initial contact and throughout our engagement, what Chiltern Railways can and cannot do to meet their concerns and expectations
- Be open and not raise expectations that we cannot meet
- Deal fairly, honestly, consistently and appropriately with all correspondents and complainants, even those whose behaviour or actions we consider unacceptable
- Provide a service that is accessible to all
- Ensure that other people who use the services of Chiltern Railways and our staff do not suffer disadvantage as a result of the unacceptable behaviour of others.

**9.3** Occasionally, the behaviours or actions of individuals that we have dealings with make it impossible for us to continue any constructive engagement. In this small number of cases we have to consider taking steps to protect our staff or to ensure that our ability to work effectively is not undermined. Our Vexatious Correspondence Procedure describes the circumstances under which we will consider terminating communication with a complainant.
