

Filming Case Studies

Angela Black A brand new ITV psychological drama

The six-part series has been written by BAFTA-nominated and Emmy® and Golden Globe®-winning producers and screenwriters Harry and Jack Williams (The Missing, Liar, Fleabag).

Filming comprised of a whole day split between London Marylebone Station and 5 hours On Train to Birmingham and back.

Quote from Nick Marshall Location Manager Angela Black

Just a quick email to say an enormous THANK YOU for our filming today - it was a real pleasure being at Marylebone and you made the day, and indeed the entire process, extremely straightforward.

Please also extend my gratitude to all the staff on the turnstiles and platforms - everyone was extremely helpful throughout.

I very much hope to visit again soon!

Thank you again

Best wishes

Nick
