

# Meet the Managers at Marylebone Station

## Q&A's from 22 March

Question/Comment	Response
Why has the 0700 from Warwick Parkway moved to 0718 and has it had performance issues?	Over time we have made adjustments to this service, including adding in a stop at Leamington Spa. Timings were also altered when we launched our Oxford line and at first the train was sometimes affected by another service in this new timetable. We made tweaks to improve this in early 2017 and will continue to monitor it.
