## Meeting your Managers

We hold regular 'Meet the Manager' events, where you can speak directly to our management team and give us your views.

This gives us a chance to hear what you think about our services and how we can improve; it gives you the chance to ask any questions you might have about why we do things the way we do. We try to answer all queries as openly and as honestly as we can.

Planned dates for our Meet the Manager events for the next few months are available in the table above.

## Tweet the Manager

We offer an innovative way for passengers to talk directly to Chiltern Railways' senior managers.

To join in and have a one-on-one Twitter session with our managers, just tweet @chilternrailway with the session hashtag.

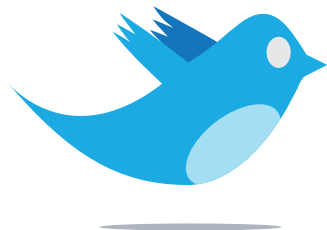

Please be aware that sometimes we may need extra time to reply to you or that it may take more than 140 characters to respond, so there will be some instances where we may need to email you. Previous Tweet the Manager conversations can be downloaded from our website.
